REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Gordon Elementary School experienced an exciting and successful school year. Our children have done well academically and some have ventured out and achieved in other areas. The performance of our students is to be commended.

Some of the highlights of the year included: a fifth grade female received the Lieutenant Governor's Writing Essay Award. The recognition ceremony was held in Columbia, S.C. in April. A sixth grade female student designed the official Christmas card for the City of Dillon. The Mayor presented her with a gift card. A sixth grade female student received the Governor's Citizenship Award. A ceremony was held in Columbia, S.C. in May to recognize this achievement. During the State Beta Club Convention in December a sixth grade female student won the essay contest. She will compete at the National Beta Club Convention in June at Myrtle Beach, S.C.

We are proud of our Positive Behavior in Schools (PBIS) Program. This program focuses on rewarding students for their good behavior. Those students who have no discipline referrals during a nine week grading period are rewarded with a special social. Students also have the opportunity to earn various awards weekly and monthly. This is our third year of PBIS and we aim to make it even better next year.

Our faculty/staff, students and parents continue to support our Service Learning Projects which include: Trojan Baskets, St. Jude's Children's Hospital "Math-a-Thon", and March of Dimes "Walk for Babies." We are very committed to these efforts each year.

The Lunch Buddy Mentoring Program is still a very important link in our school family. The children who benefit from this program are very appreciative to the adults who share their time with them.

We thank all of the family members who came out and supported our parenting programs. We have provided numerous opportunities for the adults to come and be a part of our school. We have had Parent Orientation, Parent-Teacher conferences, Fall Parent Meeting, PTO meetings. Family Night SLAM (Science, Language Arts & Math), Springfest, and Career Fair.

Thank you to everyone for your dedication and continued support. It has been a great year and the best is yet to come!
